Silk Restaurant & Sanook Spa

Formerly the Number One Courtroom, today Silk is the hotels' Michelin recommended restaurant. Illuminated by its huge vaulted glass ceiling and framed by the original English Oak panelling, the Judges bench, dock and witness stand have been kept in their original setting. Silk exceeds expectations and achieves where so many other London restaurants fail.

As its name says Sanook Spa (Thai for "Enjoy Yourself") is an oasis of relaxation and rejuvenation.

You can unwind in our gym, cleanse in our sauna or simply indulge in the many treatments available.

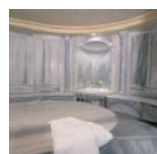

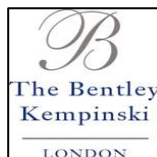

Sanook Spa is also home to a glass treatment room suspended over our swimming pool, for you to truly enjoy the Feng Shui experience.
